Sujet 1 : rue Sainte Catherine

It's a place with lots of people. It's in the center of Bordeaux.

It was on Wednesday. You, polish students, went there but without us. And we were very sad, particularly the girls, because this is a very important place for us! We love it! We can't live without this street!

What is the name of this street?

Sujet 2 : origami

This is an activity. To do it you need lots of things... Paper, glue, pair of scissors, and sometimes you can use ribbon, coloured papers (...). We did this activity in Poland and in France too after. For example in Poland we made a big Mickey whereas in France we made some flowers.
